FOCUS ranking: Wilhelm one of Germany's leading business law firms

Düsseldorf, 17 October 2013. According to the German weekly FOCUS, Wilhelm Rechtsanwälte is one of the leading German business law firms for insurance. The ranking was published on Tuesday, 15 October 2013, in the special issue FOCUS-SPEZIAL "Deutschlands Top-Anwälte".

The research conducted by Statista for FOCUS was based on recommendations by more than 4,200 specialized lawyers and 1,700 attorneys working in major business law firms in Germany. In addition to the number of recommendations, the research team considered the media coverage on the individual firm to evaluate the firm's reputation.
